

## Fees for Non-NHS Services

Any services carried out by the practice, which are not available on the NHS, are charged for on a private basis. If you do not see the item that you are requesting detailed below, please contact a member of reception, who will be able to advise you of the cost involved. Please note, if you require any investigations or immunisations as part of any private work, you will be charged the cost of these, in addition to the fees detailed. Please note the GP can only complete forms, letters and certificates if they have seen you in relation to the condition that you require the document for.
